

Wolfram *Mathematica*® License Certificate

This license certificate identifies important information regarding your use of *Mathematica* in accordance with the terms of the license agreement printed on the reverse side. Please read this certificate and the license agreement carefully prior to use. Save this certificate as a reference, and have it available whenever you communicate with Wolfram Research.

If you change any information, an updated certificate will be mailed to the primary user.

License Number: L4703-5758

Your license number will always remain the same, even if you change your configuration or upgrade.

Mathematica Password: Contact Wolfram Research

You must contact Wolfram Research or a designated Mathematica reseller to register for a password.

Product Name: Mathematica Network Server Version 6.0.2

3 Mathematica Professional Network Increment, Class A Version 6.0.2

Product Class: A

Computer Platform: Macintosh, Windows or Linux (x86)

Use Class: Educational; International

This product was purchased at an educational discount.

License Class: Network

Processes: 3

Class A licenses allow for use on a Macintosh, Windows, or Linux (x86) machine. Class A licenses also allow for use as Class A and on a Unix machine. Your license allows execution of up to 3 concurrent user processes and kernel processes, limited to the platforms specified above. You are responsible, as the licensee, to ensure that access to the Product is restricted to users located at the physical site of the Product. Remote access to Product is allowed under this License. This restriction applies regardless of the medium used to access Product.

Registration Information: UNREGISTERED

You must designate one individual as the primary user of this license. This person will be responsible for contacting Wolfram Research regarding upgrades, license renewal, and any other license issues. See the enclosed Registration Packet or visit our web site at register.wolfram.com

You must also designate one individual as support contact, eligible for support services, as the primary user unless you specify otherwise. After you have registered, a permanent license certificate will be mailed to the person designated as the primary user.

This license is not registered. No passwords, upgrades, or license changes are allowed without the approval of Wolfram Research. Information is provided.

Mathematica Service: PREMIER

You have a subscription to Premier Service which will be activated at registration. To view the details of benefits visit www.wolfram.com/premier-support.

For information on upgrading your Mathematica license, contact your nearest Mathematica reseller (see a complete list of resellers at www.wolfram.com/services/intdealers), or call Wolfram Research Europe Ltd. at +44-(0)1993-883400 or send email to info@wolfram.co.uk.

CAREFULLY READ THE FOLLOWING TERMS AND CONDITIONS BEFORE ACCESSING, INSTALLING, OR USING THE SOFTWARE.

BY CLICKING THE "I AGREE" BUTTON, OPENING THE MEDIA CONTAINER, DOWNLOADING THE PRODUCT, OR INSTALLING/USING THE PRODUCT, YOU ARE CONSENTING TO BE BOUND BY THIS MATHEMATICA LICENSE AGREEMENT ("AGREEMENT"). IF YOU ARE NOT WILLING TO ACCEPT THE TERMS AND CONDITIONS OF THIS AGREEMENT, YOU MAY NOT ACCESS, COPY, INSTALL, OR USE THE PRODUCT—IMMEDIATELY RETURN THE ENTIRE PRODUCT TO THE SOURCE FROM WHICH IT WAS OBTAINED, AND UNINSTALL/REMOVE/DESTROY ANY ADDITIONAL COPIES OF THE PRODUCT.

DEFINITIONS

WRI: Wolfram Research, Inc., 100 Trade Center Drive, Champaign, IL 61820-7237, USA.

You/Licensee: The individual or organization obtaining the Product. If You/Licensee agree to these terms on behalf of an organization, You represent to WRI that You are authorized to accept these terms on the organization's behalf.

Software: The computer programs provided by WRI under this Agreement, known as *Mathematica*.

Product: All the materials, including the Software, provided by WRI under this Agreement (whether by download or physical storage media), and data accessed on WRI's servers.

Mathematica Process: A suite of processes consisting of one Kernel, one Front End, and other auxiliary processes. Some licenses allow more than one *Mathematica* Process to run concurrently. The maximum number of concurrent *Mathematica* Processes that You may run is indicated on Your License Certificate.

Intellectual Property Rights: Any and all rights existing from time to time under patent law, copyright law, trade secret law, trademark law, unfair competition law, and any and all other proprietary rights, and any and all applications, renewals, extensions and restorations thereof.

Product Class: The operating system family to which You agree to limit Your use of the Software. Your selected computer platform and Product Class are indicated on Your License Certificate.

Use Class: Indicates whether there are restrictions on how the Product may be used and/or transferred. Your Use Class is indicated on Your License Certificate.

License Class: Indicates whether the Software allows use by a single-user or a network of computers. Your License Class is indicated on Your License Certificate.

OWNERSHIP

WRI is the sole owner of the Product as provided by WRI with the exception of the portions of the Product Licensed by WRI from the third-party owners of those portions. WRI is the holder of the Intellectual Property Rights in the Product, including, without limitation, such aspects of the Software as its code, structure, sequence, organization, "look and feel", programming language, and compilations of command names, descriptors, and data. Use of the Product, unless pursuant to the terms of a license granted by WRI or as otherwise authorized by law, is an infringement of Intellectual Property Rights. When publishing academic or research papers for which *Mathematica* was used, the Software should be appropriately cited as a reference and/or described in a methods section. Notwithstanding the obligation to provide acknowledgement stated above, no other right to use the names, marks, or other distinctions of the Product or WRI is permitted.

PERMITTED USES

Subject to the terms of this Agreement and Your acceptance thereof, WRI grants You a non-exclusive license to use the Product solely in accordance with the License Class, Product Class, and Use Class indicated on Your License Certificate. This Agreement terminates in the event that You receive a license to use an upgraded version of the Product in place of this Product, which upgrade, as well as any other improvement or enhancement, WRI is under no obligation to provide. Your license to use the Product terminates on the indicated license expiration date, if one is indicated, or upon notice of a material breach that is not cured within 30 days of receipt of notice. Provisions of this Agreement that by their nature express ongoing rights or obligations shall survive the expiration or termination of this Agreement. You are also authorized to:

- for a Single-User License Class, install and use the Software only on a single on-line storage device (for example, a hard disk drive);
- for a Network License Class, install and use the Software only on any on-line storage device (for example, a hard disk drive) located at the physical site of Product registration;
- maintain one archival copy of the Software on offline storage media (such as a DVD);
- transfer the license only pursuant to the following conditions: (1) Your Use Class permits the transfer of this Agreement, (2) The transferee's use of the license falls into the same Use Class; (3) You notify WRI in writing of Your decision to transfer this Agreement and certify that You have destroyed or given to the transferee all copies of the Software and other elements of the Product that You have ever had, and (4) The transferee accepts all the terms and conditions of this Agreement.

PROHIBITED USES

All uses of the Software and other elements of the Product not specifically stated in the Permitted Uses section of this Agreement are prohibited, including without limitation:

- running more *Mathematica* Processes concurrently than the maximum specified on Your License Certificate, allowing access to a single *Mathematica* Process by multiple computers or terminals;
- installing or running the Software on a computer associated with a Product Class greater than the Product Class specified on Your License Certificate;
- using the Product in a manner that violates the restrictions associated with the Use Class specified on Your License Certificate;

- decompiling, disassembling, or reverse engineering the Software;
- modifying the Software in any manner, except those portions written in the *Mathematica* examples;
- distributing, publishing, transferring, sublicensing, lending, leasing, renting, or otherwise using any portion of the Software including collections of data;
- copying or allowing copying of the Product or any elements of the Product, except as of an archival copy of the Software as allowed by the Permitted Uses section of this Agreement;
- allowing access to the Product by any user other than Licensee, including without limitation a web server which is only allowed pursuant to a valid web.mathematica.com license agreement;
- removing any copyright, trademark, or other proprietary notices from the Product, and
- for a Single-User License Class, using separate components of the Software on separate contain multiple executables (e.g., Kernel, Front End, other auxiliary processes) which share separate computers, even if the use is not concurrent. In the case of a Network License, an executable that is linked to an active Kernel on a second computer is permitted. Network use requires a separate *Mathematica* License Manager program.)

ONLINE SERVICES AND DATA

Certain functionality in *Mathematica* may require the Software to access collections of data on servers. WRI makes no warranty that access to such data will be uninterrupted or that WRI reserves the right to restrict access to, add, update, modify, or remove collections of service subscriptions, or otherwise at WRI's discretion. You agree all data access and use shall be restricted to access and not to access or use data collections in such a manner that could damage, disserve, or otherwise harm servers providing such data. You agree to only access collections of data through the interface provided through WRI'S ONLINE SERVICES CONSTITUTES PROTECTED INTELLECTUAL PROPERTY OF WRI OR ANY THIRD PARTY, OR PROVIDED OR DISTRIBUTED THROUGH ANY DATABASES OR PART OF SUCH DATA. Access to the online services is provided to You at WRI'S discretion and is restricted at any time.

LIMITED WARRANTY AND DISCLAIMER
